#5900 Heavy Duty "Bump Fire" Electric Staple Gun

A heavy duty "Bump Fire" electric staple gun/nail gun that drives staples in rapid succession with a "bump" of the contact mechanism. Optional trigger and bump fire modes. Easy drop-in staple loading and staple track removes for easy jam clearing. Ergonomically designed rubber handle for less fatigue. Full 11 amps power and a 8 ft. power cord. Uses Staples, Brad Nails, and Pin Nails.
